

4th National Conference on Bioenergy India

27th March 2026

Auto Cluster Exhibition Centre
MIDC, Pimpri-Chinchwad, Pune

Sustaining the Planet — Solar, Bioenergy, Circular Manufacturing & Waste-to-Energy Solutions for India's Energy Future

Supported By

Ministry of Power

Industry Association Support

Sustainability Partner

CONFEDERATION
OF BIOMASS ENERGY
INDUSTRY OF INDIA
Towards a sustainable future

- Biofuel & Biodiesel
- Sugar & Ethanol
- Biomass
- Agriwaste
- Plastic & Waste Water
- Oil & Natural Gas
- CBG
- Renewable Energy
- Industrial Waste
- Food & Paper Waste
- Wire Cable & Electrical
- EPC and Services
- Solar Power Technologies & PV Systems

Inauguration 10:00 am

Welcome Address and Lamp Lighting

Address by Chief Guest

**Launch of RENEWEEEX™ Accelerating Clean Energy
Deployment across Solar and Bioenergy Value Chains**

Session 1 (10:30 -11:15 AM)

Advancing India's Solar Energy Transition through Circular Economy Approaches

Moderator -

Speakers Name – Designation

- Policy and regulatory alignment
- Role of domestic solar manufacturing in sustainable and circular supply chains
- Solar panel waste management, recycling technologies, and material recovery
- Infrastructure, raw material challenges, and environmental safeguards
- Way forward for a circular solar ecosystem

Session 2 (11:15 -12:00 PM)

Bioenergy and Diversified Renewables in India's Clean Energy Transition

Moderator -

Speakers Name – Designation

- Biomass and bioenergy potential: current status and 2030 outlook
- Role of biomass in a diversified renewable energy mix
- Feedstock availability and operational challenges
- Hybrid models: Biomass with solar/wind for decentralized energy
- Policy support and the way forward

Followed by Morning sessions Q&A rounds

Session 3 (12:00 -01:00 PM)

CBG Revolution – Powering Clean Mobility & Energy Security

Moderator -

Speakers Name – Designation

- CBG potential in Maharashtra – SATAT scheme, targets, and investment outlook
- Feedstock challenges and opportunities

1:30-2:30 pm -Lunch Break

Session 4 (02:00 -03:00 PM)

- Supply chain issues and infrastructure concern
- Operations and maintenance challenges
- Way forward and solutions- followed by Q&A

Launch of WIREEEX™ – Enabling Circular Manufacturing for India's Energy Infrastructure

Wireeex acts as a bridge between clean energy deployment and circular industrial practices

Circular Economy in Wire & Cable Manufacturing: Recycling, Reuse, and Waste Management (Powered by WIREEEX™)

Moderator

Speakers Name – Designation

- Importance of circularity in meeting climate and sustainability goals
- Challenges in recycling multi-material cables (metals and plastics)
- Energy recovery from manufacturing waste: Role of Waste-to-Energy in Wire and Cable Plants
- Innovations in sorting, polymer recovery, and reverse logistics
- Safety, quality standards, and compliance with EPR and hazardous waste regulations

Launch of Waste-to-Energy Vertical - Transforming Waste into Sustainable Energy and Resource Value

Session 5 (03:00 -04:00 PM)

Waste-to-Energy – Converting Waste into a National Resource

Moderator

Speakers Name – Designation

- Waste segregation and conversion technologies
- Urban and rural waste management for energy recovery
- Finance and Investment challenges for large-scale WtE projects
- Research and Innovations
- Regulatory and Policy Framework

Followed by session Q&A round/Panel discussion
Thanks Giving & Closing Address

Vote of thanks

Register for Your Conference Pass Today!

Join Bioenergy India, Reneweex Global & Waste to Energy 2025!

Experience the premier platform for innovation and collaboration in bioenergy, renewables, and waste-to-energy. Connect with Global leaders, discover breakthrough technologies, and explore sustainable solutions driving the clean energy transition.

Be part of the global energy evolution – Register Now!

S.N.	NAME	DESIGNATION
1.		
2.		
3.		

Pass Type	Standard (Expires 14th Dec- 2025)	On-site (18th Dec- 2025 Onwards)
Domestic	INR ₹	INR ₹
27th March 2026 Bioenergy India	3,000/-	5,000/-
International	USD	USD
27th March 2026 Bioenergy India	\$70	\$130

Company Name :-	_____	GST No. -	_____
Address :-	_____	Mobile :-	_____
Email :-	_____		

18% GST Will be Applicable
